

fi'zi:k Handlebar Tape "Tempo Microtex Classic (Racefeel 2,00 mm Classic)"

honey

RRP: 19,90 €

Versatile & durableEverything should be just right for the long-awaited tour or the well-maintained home lap with the road bike. FIZIK has developed the "Tempo Microtex Classic" for precisely this purpose. Available in pairs, the handlebar tapes offer unique performance, last a long time and impress with their versatility.Thanks to microfiber ("Microtex"), the weight of this handlebar tape is low at 43 g. At 2 mm, it is also a very thin handlebar tape variant with a smooth surface. While the handling is precise, you have very good control. The fact that this is a "Classic" version is evident from the durable, perforated and leather-like texture: The Handlebar Tape thus has an appealing, traditional aesthetic. The grip is very comfortable, with the tape allowing easy transitions between the different grip positions.Available in many attractive paints, this handlebar tape from FIZIK is perfect for ambitious hobby riders.
