

Gates Crank Set "S150"

175mm, with guard

RRP: 123,95 €

Crank Set S150 from GATES The S150 crank is from the manufacturer GATES and measures 175.0 mm. Because the crank is made of aluminum, it lasts particularly long and saves weight. The crank is equipped with a chainring. It fits the square bottom bracket and the singlespeed drive of your bike. The crankset is designed to withstand the high forces on pedelecs. This is what the addition "E-Bike-special" stands for.
