

hamax Child Seat "Zenith Relax"

frame: grey, cushion: black

RRP: 124,90 €

Comfortable, safe & appealingAn elegant design, comfort for the child and uncomplicated installation: with the "Zenith Relax", HAMAX offers a child bike seat of the highest standard. It has a comfortable seating position that can be adjusted by 12.5°. This means that the child can always feel comfortable. The seat has appealing, harmonious curves. Its seat belt, Connector and footrests can be easily operated with one hand. The buckle of the safety belt prevents the child from opening it on their own. The "Zenith Relax" can be securely and easily attached to the Carrier in 2 different ways. On the one hand, this works with an Adapter for direct mounting and on the other hand with a Holder and bars on the seat tube of the bike. The footrests of the child bike seat can be adjusted, while the cushions are interchangeable. Reflectors on the back also improve visibility and therefore safety in traffic. The bicycle seat is suitable for children from the age of around 9 months and up to a maximum weight of 22 kg. It allows children to ride their bikes safely and in a relaxed manner.
