42-622 (28" x 1,60), 910g

**Price: 11,99 €**

Flexible & robustThe "Otis" model from HARTJE comes in classic black and impresses with its Anti-Puncture-Line and Protection Level 5. Power transfer, steering movements, shifting and brakes - the bicycle tire does all this without neglecting good propulsion. The HARTJE "Otis" tire with its 32-ply carcass retains its flexibility despite its puncture-resistant protective layer. The bike rides safely and comfortably with the well-designed tires, which are available in many different sizes. The "Otis" also has reflective stripes that make the rider clearly visible from the side at dusk and in the dark.
