

IMPAC Tube "16""

Dunlop valve (DV), 26mm

RRP: 7,90 €

The IMPAC Tube 16" is the perfect choice for anyone looking for a reliable and durable bicycle tube. With its robust rubber compound, it offers optimum protection against punctures and ensures a long service life. The tube is available with a Schrader or Dunlop Valve, so you can choose the right option for your bike. Weighing just 100 g, it is also light and easy to handle. The tube is ideal for 16-inch tires and is easy to fit.
