grey, self-service package, 114 links

Price: 14,63 €

Chain X11 from KMC Tarmac or off-road - the X11 chain from KMC shows its strengths on off-road bikes and road racers alike. If you ride a bike with an 11-speed drive, the X11 chain is just right for you. As the chain with its 114 links is made of steel, it is particularly hard-wearing. The special anti-rust coating makes the chain particularly hard-wearing. A Connecting Link is included to connect the two loose ends of the chain.
