

KMC Chain "S1 Wide"

brown, self-service package, 112 links

Price: 2,82 €

Chain S1 Wide by KMC The S1 Wide chain from KMC cuts a particularly fine figure on city bikes, track bikes and BMX bikes. As the chain is made of steel with 112 links, it is particularly hard-wearing. A special anti-rust coating makes the chain particularly robust and hard-wearing. In order to be able to close the chain properly, a Connecting Link is included in the scope of delivery, which connects the two loose ends.
