

MICHELIN Tires "Wild Enduro Rear Competition Line"

61-559 (26" x 2,40), 1043g

Price: 28,99 €

Maximum grip on fast downhill ridesThe "Wild Enduro Rear" is a tubeless ready Foldable Tires, specially developed for use on the rear wheels of your MTBS. Dry and mixed surfaces are the Enduro tire's favorite playgrounds. The lugs are arranged in such a way that they offer maximum grip even on fast downhill rides. The Gum-X 3D rubber compound, consisting of different compounds for the tread and sidewalls, ensures the durability of the tire as well as good performance.The three-ply Gravity Shield carcass, which has its origins in Enduro, offers particularly high puncture protection. Just like the Pinch Protection - a reinforcement in the bead zone that reduces the consequences of impact bruising.
