The Rear Kickstand Comp by PLETSCHERIf you use your bike every day, you need a stable Rear Kickstand like the "Comp" from PLETSCHER. How should you park it safely if there is nothing to lean on? It provides a secure stand, especially when it has to support the weight of panniers on the Carrier. Made from aluminum, the "Comp" fits city and trekking bikes in size 28". The stability of the "Comp" is extremely well balanced in terms of quality and durability in relation to price and ease of use. The right place to attach it is on the left Chain Stay, near the Dropout. Please note: The hole spacing for mounting is 40.
