Shopping basket and bike basket in one With KLICKFIX, the popular shopping basket from Reishel finally comes to bikes. Thanks to the padded carrying handle, the transverse plastic basket is comfortable to carry and can be closed with a drawstring. The sturdy thermoformed base and stiffeners provide stability, while a zippered compartment inside offers space for keys and valuables. The stiffening elements can be removed so that you can store the baskets flat and save space. The "Carrybag GT" is available with 2 mounting options: either for Racktime or with Uniklip.
