

SECURITY plus Frame Lock "RS 60"

black

RRP: 17,95 €

RS 60 frame locks from SECURITY PLUS Quick and easy to use: The SECURITY PLUS RS 60 is a frame locks, ideal for the daily quick stop at the bakery. The bolt, which slides through the spokes, makes it impossible for opportunist thieves to simply swingarms onto your bike and ride away. A removable key locks the frame locks. You have two options when installing the locks. You can either attach it to the perforated rear triangle or to the Pletscher plate - both are possible. The locks are made of steel.
