

Selle Royal Saddle "Lookin Relaxed"

unisex

RRP 64,90 €

Comfort & a look inside The central feature of this bicycle saddle from SELLE ROYAL is already in the name: A transparent window in the saddle surface allows glimpses of the inside of the "Lookin Relaxed", where you can see the Royalgel technology. This technology reduces pressure by up to 40% thanks to a three-dimensional gel structure. The design is rounded off by silver applications on the sides, which protect the Saddle from scratches and knocks. They also give it a unique look. This bike saddle is perfect for a relaxed riding position with a 90° spine angle on the bike.
