

SIGMA SPORT Battery LED Rear Light "Infinity"

black

RRP: 21,95 €

Bright & visible from the side500 meters of visibility - that's what the Infinity LED Rear Light from SIGMA SPORT gives you. Thanks to the side light elements, you are also more visible to traffic coming from the left and right. The maximum light duration is 16 hours. The battery-powered rear light can be recharged using the USB-Charger Cable included in the scope of delivery. The two-stage charging indicator tells you when it is time. Charging works easily with any Computer. The silicone holder can be mounted on the bike without tools. The light is also splash-proof and complies with the German Road Traffic Licensing Regulations. It weighs a total of 28 grams.
