

SIGMA SPORT Bike Computer "Topline BC 7.16"

wireless (ATS)

RRP: 34,95 €

Reliable odometerThe "Topline BC 7.16" from SIGMA SPORT is an inexpensive entry-level model - or simply a bike computer that shows the essential data on the large and clear Display.But that's not all: the "BC 7.16" is waterproof (protection against permanent submersion), can be easily mounted using a rubber ring and offers simple data evaluation via the optionally available docking station. The bike computer is available in a wired and a wireless version.
