

Snell Contact Protection

black

Price: 7,50 €

Universal & practical The SNELL Contact Protection is a universal protection for the contacts of e-bike batteries. It protects the Holder and the metal contacts from rain, dirt and damage. This is a universal model for Frame and Battery Carrier contacts. The Contact Protection is made of elastic neoprene and adapts individually to different frame shapes and Battery mounts. It is attached using 2 Velcro straps: the protector is simply stretched over the opening of the mount and closed around the frame or Carrier.
