

spanninga Helmet Light "Thor 1100"

Supplied in a handy Transport Case

Scope of delivery: handy Transport Case, 120 cm Extension Cable, Helmet Holder, Head Holder, 2x O-ring holders (Ø 40 mm & Ø 50 mm), Velcro cable ties, Battery and Charger

RRP: 127,90 €

Multisport lighting systemEquipped with a CREE XM-L2 LED, which produces an amazing beam of light (1100 lumens), yet still achieves a long runtime of up to 10.5 hours in ECO mode and 6.5 hours in BOOST mode thanks to the high-performance lithium-ion batteries (8.4 V 5200 mAh Samsung Li-Ion battery pack in waterproof neoprene case), is suitable for almost all outdoor sports (e.g. mountaineering, caving, ski touring, canyoning etc.). The robust aluminum housing is shockproof and waterproof (IPX-8 for permanent submersion up to 2 m). A Shifter can be used to switch between BOOST mode and ECO mode (30 % less power). The Thor has a "Safe-Switch-Mode" for switching on and off, which prevents it from being switched on accidentally, e.g. in a bag.

Datos maestros

Número de artículo del proveedor:	999136
EAN	8715117019587
UVP	127,90 €
SB-Artículo	Sí
DST-Code	2E02
Fedas-Code	160675
Número de registro RAEE	DE92509320
Bidex-Code	207030
Marca/Proveedor	spanninga
Unidad de medida:	PIECE
Weight	0.891 kg

Datos técnicos

Alimentación eléctrica	battery mode
Artículo	Article
Autonomía máx.	10 h
Características	incl. integrated rechargeable battery
Color principal	Negro
Color secundario	Marrón
Componentes	incl. charging station , toolfree assembly
Fijación	helmet attachment
Funciones	diverse light modes
Luminosidad	1100 lumen
Lámpara	LED
Versión	front light
Ámbito de aplicación	outdoor
