

SUPERNOVA Handlebar Bracket "Universal"

for 31,8mm handlebar

RRP: 48,95 €

Universal mountThe SUPERNOVA "Universal" Handlebar Bracket says it all in the name. It fits almost all SUPERNOVA Front Lights (except Airstream and HBM variants) and can be mounted on the left or right side of the Handlebar. For easy mounting on Handlebars with a diameter of 31.8 mm, the clamp with Hinge can be opened. Once mounted, the "Universal" ensures a tidy look on the cockpit.
