

CONTEC Children Brake Lever "BL-Y10"

right

RRP: 12,95 €

So children are safe on the roadWhen children are biking on the road, they are focused on fun. Adults, on the other hand, are also thinking about road safety.With the "BL-Y10" child brake lever by CONTEC, each 20" to 24" children's bike can be optimally equipped. The product is made of lightweight, robust aluminium and fits on any handlebar with a maximum diameter of 22 mm. It is intended for mounting on the right-hand side and can be installed easily without any prior knowledge.The DIN-compliant 3-finger brake lever for children's bikes is suitable for all V-brakes. It is also compatible with twist shifters. In the colour combination black and silver, it is rather classic.The high comfort of the brake lever enables precise braking with little effort - this allows young ones to enjoy cycling without compromising safety.
