

CONTEC Children Brake Lever "BL-K20"

right

RRP 14,95 €

Brake safety for the next generation With the CONTEC "BL-K20" child brake lever, a high level of safety can be achieved with numerous children's bicycles, while at the same time offering maximum comfort. The aluminium brake lever ensures efficient and fast braking on the bicycle, both in traffic and off-road. The product is suitable for V-brakes and is suitable for bicycles with a size of 12 to 16". The handlebar can have a maximum diameter of 19 mm. The DIN-compliant 3-finger child brake lever has a safety lever, which contributes to increased safety every time the bike is ridden. It is compatible with Rapidfire shifters, making it versatile. This quality product in the colour combination black and silver is intended for the right-hand side of the handlebar. The assembly and the use of the lever are simple and comfortable. With the CONTEC brake lever for children's bikes, little ones are always safe when on the go.
