

CONTEC Brake Lever "BL-CT20 TWIST"

left

RRP: 12,95 €

Exact and comfortable brakingWhether on the road or on the race track: A well-functioning brake is the key to cycling safety.In order to increase the comfort of every braking action, the CONTEC brake lever "BL-CT20 TWIST" is ideal. It is compatible with all V-brakes and is therefore characterised by maximum user comfort, because the rider can stop the bike with little effort by means of the 4-finger brake lever. It does this as reliably and precisely as the rider needs it.The silver brake lever enhances every bicycle with a functional and classic look. It is also suitable for twist shifters, making it particularly versatile to use. This product is available for mounting on the left or right-hand side of the handlebar. Assembly is quick and uncomplicated, even without prior knowledge.This accessory by CONTEC does a great job during every braking manoeuvre.
