

CONTEC Handlebar Tape "Kork 2K"

red

RRP: 13,95 €

Optimum grip with natural materialComfort and safety play a decisive role on the bike: with the CONTEC "Cork 2K" handlebar tape, every two-wheeler can be given a professional touch.The high-quality synthetic handlebar tape made of cork with embossed branding is very elastic and offers optimum grip. There is a PU coating on the underside that can significantly reduce pressure and vibrations. This reliably prevents hand and wrist fatigue, even on long rides. The handlebar tapes from CONTEC can be washed off after use and cleaned quickly before the next use. It is supplied as a pair and has 2 Handlebar Plugs and adhesive strips for fixing. This makes mounting much easier. Available in the paints white, black, yellow, red, blue and green, the product also visually enhances the Handlebar.Handlebar Tape from CONTEC adds comfort to any bike.
