

CONTEC Saddle "Elliptic +"

Unisex

RRP: 49,95 €

Well-designed for comfortable ridingMore fun thanks to greater comfort: The “Elliptic +” MTB and road bike saddle from CONTEC provides a comfortable riding experience. What sets this saddle apart is its 3-fold comfort. This is achieved through the combination of an “FM Foam Matrix,” excellent gel padding, and a butt-friendly design. All in all, the support provided in all the right places results in enhanced comfort.You don’t have to worry about wet conditions or rain, though. That’s because the saddle is 100% waterproof. So even if your bike is left outside in bad weather, the saddle won’t get soaked right away.You also benefit from improved durability.There’s also an important advantage hidden behind the term “Comfort Vent + Full Cut.” Thanks to this feature, the MTB and road bike saddle offers an optimized seating environment and a 20% reduction in weight.Another useful feature is the integrated clip system. Thanks to ICS compatibility, accessories such as a practical Saddle Bag can be easily attached.The “Elliptic +” comes in black and silver. This MTB and road bike model is a unisex saddle.So if you appreciate smart (comfort) features in a saddle at a fair price, this product from CONTEC is the right choice for you.
