

## CONTEC Children Saddle "Volare Junior"

unisex

**Price: 10,50 €**

Triple comfort for kids & teens Well thought out comfort for kids: The "Volare Junior" child and youth saddle offers a comfortable feeling in all seating positions. This model from the CONTEC "Volare" series has the "3Zone comfortPlus" system. With it, the saddle is divided into a dense padded zone, a soft comfort zone and a flat sports zone. The padded zone in the rear area is ideal for upright, fatigue-free seating, while the soft comfort zone relieves the buttocks if necessary. In addition, there is a flat sports zone at the front, ideal for a dynamic, more stretched stance on the bike. With this system, children and adolescents can feel comfortable in any sitting position. By the way, the padding of this saddle is made of cold foam. This material is permanently elastic and has a low weight. In addition, cold foam is bad a storing heat, which allows the saddle to cool down quickly even after intense sunlight. Thus, even on warm summer days, kids do not have to sit on a saddle that is too hot. Furthermore, the frame of this child and youth saddle is made of chromium-molybdenum (CrMo) steel and thus offers a good compromise of low weight and robustness. As a unisex model, the "Volare Junior" offers girls and boys equally comfortable riding pleasure.

### Datos maestros

Número de artículo del proveedor:	FRJ 00003R
EAN	4251507919494
UVP	22,95 €
SB-Artículo	Sí
DST-Code	2C05
Bidex-Code	206010
Fedas-Code	160269
Marca/Proveedor	CONTEC
Unidad de medida:	PIECE
Weight	0.301 kg
