

CONTEC Connecting Link "Connector +"

CO.S10+, for 10-speed chains, 1/2" x 5/64", silver / silver

Price: 3,99 €

Chain replacement made easy The chain is one of the most stressed parts on the bicycle and should be checked regularly. With the CONTEC "Connector +" master link, a new 10 or 11-speed chain can be installed in no time at all without additional tools. The two halves of the master link are simply inserted into each other and snap into place with a strong pull. The chain can then be opened again just as easily and without tools. The master link "Connector +" is self-service packed and comes with 2 sets.
