

CONTEC Single Bag "Via.Tour"

rusty red

RRP: 59,95 €

The VIA.TOUR by CONTEC is the optimal companion on a short trip or on a trip to the weekly market. On the way there, it can be attached to the luggage rack by means of an integrated bicycle hook. To stroll around the market with the bag, it can be easily taken over the shoulder while walking thanks to the adjustable carrying strap. The 16-liter capacity is cleverly divided into a large main compartment and an extra inner compartment to carry potatoes and wallet separately in the bag. The water-repellent polyester protects the contents from rain. Reflective elements on the sides make one more visible in traffic.
