

CONTEC Rear Kickstand "E-40"

black

RRP: 19,95 €

Strong and stableFor loaded down bikes, there is a remedy: The CONTEC rear kickstand "E-40" is a heavy-duty kickstand with a large load capacity.In spite of heavy loads, the bike falling over is a thing of the past. This model by CONTEC is a bicycle kickstand that scores with its high stability. It is also suitable for e-bikes with a higher weight and a high load capacity.The material of this adjustable rear kickstand is die-cast aluminium, which is at the same time robust and lightweight. The plastic foot is also a rust-free lightweight. In addition, the bicycle kickstand impresses with its rust-free properties.Another attractive advantage: This bicycle kickstand, which comes in noble black, is adjustable. With the press button, the kickstand is adjusted as required with a hole spacing of 40 mm. The adjustment is possible in a range from 26" to 28".A practical bicycle kickstand that shines with its uncomplicated installation. The direct mounting works at the dropout, with a mount on the inside of the frame. Note: Only suitable for frames with appropriate mount on the rear triangle!
