

CONTEC Cable Lock "EcoLoc"

Ø 20mm, 925g, security level: 6

RRP: 20,95 €

Quality product ensures safetySometimes the classic and rather simple bicycle accessory has the best features. This also applies to the CONTEC cable lock "EcoLoc". Although it is not high-tech, it is particularly secure.Using it is as simple as it is convenient. There are 2 keys available. This means that 2 people can use the lock at the same time. Alternatively, a replacement key is always available - if one is lost, the lock can still be used.The secret of the CONTEC cable lock lies in a highly flexible steel cable. This is surrounded by a durable vinyl coating. This creates a high-quality bicycle lock that can withstand all weather conditions without any problems. The lock is 85 cm long and can be used flexibly.This CONTEC cable lock puts a stop to bicycle theft and similar surprises.
