

CONTEC Fitting tool "TFM-Crown Chisel"

1", 1 1/8", 1,5" tapered (Ø 25,4mm, 28,6mm, 38,1mm double butted)

RRP: 49,95 €

Difficulty installing the fork crown race? Not with the CONTEC "Crown Chisel". This enables a fork crown race in sizes 1 1/8" and 1.5" to be pressed securely without any tilting. After the crown race has been loosely inserted on the fork crown, the tool is also pushed over the fork steerer tube and then it hits the crown race with a jerky movement until pressed on.Ideal for mounting crown races in all common dimensions.
