

CONTEC Workstand "Rock Steady"

black

RRP: 149,95 €

Let's rock it!Steady as a rock - the name says it all! Nothing can knock down the multi-award-winning "Rock Steady" Workstand from CONTEC. It impresses with its great handling, low weight and high load capacity. The paint-friendly Clamp can be rotated 360° and is easy to operate with one hand. Thanks to this rotatable workpiece holder, ergonomic working is no problem. The height can also be adjusted individually and easily using the quick-release lever for ergonomic and safe working.The mobile Workstand is foldable, which gives it a small pack size. This means that it can be transported easily and smoothly. The stand fits into even the smallest corner. Its load-bearing elements are made from a combination of lightweight aluminum and plastic.So whether on the road or stationary at home: the "Rock Steady" takes every hobby screwdriver to a higher level! The clean workmanship and excellent price-performance ratio have earned it purchase tips from trade journals. Its secure stand is another plus point.The stand is suitable for bikes weighing up to 30 kg.The "Rock Steady" can be supplemented with the congenial "Rock Steward" Tool Tray. This makes it much easier to store tools and details, so that working on the bike is even quicker.
