

CONTEC Grip "Trail X"

white

RRP: 17,95 €

Functional and comfortable: This is how the CONTEC grips "Trail X" are presented. With them, cyclists equip their MTB in a professional way. The D2 two-component grips are compatible with the grip clamping rings "G-Ring" and the grip bar end plugs "G-Cap" by CONTEC. They are supplied with a handlebar clamp and 2 black clamp rings per grip for fastening to the handlebar. At the hand, the particularly soft grip surface ensures comfort and optimal shock absorption. The fixed base ensures a good hold on the handlebars at all times.The handlebar grips have also been equipped with an X-Grip lamellation, which enables even more grip on the track. The MTB grips are 135 mm long and available in black or white. The scope of delivery includes suitable plastic bar ends. The grips by CONTEC are suitable for versatile use in off-road applications and always offer optimal grip.
