

CONTEC Folding Lock "BrickLock"

black

RRP: 59,95 €

High safety thanks to best qualityA reliable bicycle lock is essential - especially in urban environments, when the bike needs to be locked more frequently. The CONTEC "Brick Lock" folding lock is a high-quality accessory when it comes to security. The highly secure handy bicycle lock is made of specially hardened steel, which is very robust. The extra-safe locking cylinder also contributes to a high level of protection. Plastic-coated steel links make the lock almost impossible to crack.The steel lock from CONTEC is 780mm long and therefore versatile. Together with a bracket, 2 keys are included in the delivery. This way a replacement key is always available. Alternatively, the lock is also accessible for 2 people. When needed, the folding lock can be folded to the compact dimensions 45 x 60 x 110mm (height x width x length).With this high-quality CONTEC product, cyclists are always optimally equipped on the go.
