

## CONTEC Chain "Green Power GP.9"

116 links, self-service package, 310g

**RRP 20,95 €**

The plus in reliability and durability Anyone who rides to work all year round in any weather should pay particular attention to the reliability and durability of their drivetrain components. The "GreenPower GP.9" chain by CONTEC is specially designed to meet the requirements of all-weather and all-year use thanks to its special, environmentally friendly anti-rust coating. It is suitable for all derailleur drivetrains with 9-speed cassettes and is available in a titanium grey colour with 1/2" x 11/128" dimensions. The chain can be easily assembled and removed using the provided master link. The chain ends are simply stuck onto the pins of the master link and then pressed together. The "GreenPower GP.9" chain is particularly suitable for all year round cyclists who have a bike with a 9-speed derailleur drivetrain and who have the highest demands on the quality and durability of their drivetrain components.
