

CONTEC Front Light "Luna 40 E+"

black

RRP: 28,95 €

Good Visibility for Your E-BikeWell-designed lighting for e-bikes: The “Luna 40 E+” from CONTEC provides reliable visibility and safety during dark hours. With an illuminance of 40 lux, the Front Light ensures safety.The lights connect to the e-bike’s DC system. They work with all batteries with a voltage between 6 and 48 V. The “Luna 40 E+” features a plastic housing adorned with an illuminated CONTEC logo. The Front Light also features a removable front reflector, which further enhances visibility and safety on the road. A plastic Bracket for attaching the light to the fork crown (bridge) is also included. The Front Light bears a German certification mark, ensuring reliable safety in accordance with the German Road Traffic Licensing Regulations (StVZO). This means nothing stands in the way of carefree riding enjoyment. These lights are especially ideal for frequent rides, whether commuting to work or running errands in the city. In any case, the “Luna 40 E+” from CONTEC is a useful companion that helps you get noticed.
