

CONTEC Front Light "Luna 80 E+"

black

RRP: 39,95 €

High Performance for Maximum SafetyIf you ride your e-bike a lot, you should also prioritize high-quality lighting. That's where the "Luna 80 E+" from CONTEC comes in. This LED Front Light delivers an illuminance of 80 lux, ensuring good visibility even in pitch darkness and on poorly lit roads. As an e-bike light, this Front Light simply connects to the e-bike's DC system. It's compatible with all systems operating at voltages between 6 and 48 V. The lights feature a plastic housing with an illuminated CONTEC logo. The "Luna 80 E+" is equipped with a removable front reflector, which further enhances visibility. A plastic bracket for attaching it to the fork crown (bridge) is also included. The Front Light bears a German certification mark, meaning it complies with the requirements of the German Road Traffic Licensing Regulations (StVZO). With this LED Light, nothing stands in the way of safe and enjoyable riding. Especially if you use your e-bike frequently—for example, for your commute to work—the "Luna 80 E+" from CONTEC is a valuable companion. With this Front Light's excellent brightness, it's easy to make yourself visible.

Datos maestros

Número de artículo del proveedor:	51254515-6
EAN	4251507919340
UVP	39,95 €
SB-Artículo	Sí
Fedas-Code	160671
DST-Code	2E02
Número de registro RAEE	DE86405961
Bidex-Code	207030
Marca/Proveedor	CONTEC
Unidad de medida:	PIECE
Weight	0.069 kg

Datos técnicos

Alimentación eléctrica	E-bike battery
Artículo	Article
Color principal	Negro
Componentes	reflector
Fijación	fork crown / bridge attachment
