

CONTEC Rear Light "TL-327 E+"

black

RRP: 12,95 €

E-bikes offer a welcome change to the car, especially when roads are congested. They are a particularly attractive replacement for many cyclists. The basic components of every e-bike used in traffic also includes good bicycle lighting.The CONTEC LED rear rack light "TL-327 E+" ensures the best visibility in the big city hustle and bustle at night and at dusk. 3 bright LEDs and an integrated large-surface reflector in the housing made of high-quality and durable plastic ensure good visibility when riding or stopped.The rear light can be easily mounted on rack mounts with 80 mm bolt spacing. The "TL-327 E+" LED rear light is suitable for operation with 6 to 48 V for connection to the DC system of the e-bike.The "TL-327 E+" by CONTEC is the perfect rear light for e-bikes in everyday use.
