

CONTEC Combination Chain Lock "NeoLoc"

neogreen

RRP: 22,95 €

High quality combination lock provides securityEquipped with the right gear, bikers don’t need two worry about bike thieves. The CONTEC combination chain lock "NeoLoc" is such an accessory. With a diameter of 5 mm, it is very robust. Simply cutting is thus considerably more difficult for thieves.The bicycle lock is weather-resistant and resistant to UV radiation. This makes it suitable for all weather conditions and seasons. The sturdy nylon cover of the 100 cm long quality lock prevents damage to the frame. Scratches are a thing of the past.Using this bicycle chain lock is easy and extremely comfortable. The bike is secured by means of a 4 number individually adjustable combination. A feel-proof locking system also contributes to security. The CONTEC lock weighs only 585 g.With this combination chain lock, the bike is optimally secured under all circumstances and protected against theft.
