

CONTEC Rearview Mirror "E-View XS lanky"

for right or left

RRP: 19,95 €

Practical & individualThe "E-View XS lanky" by CONTEC is a rear-view mirror with a stainless steel lens (62 mm Ø). Thanks to its well thought out joint function, it can be adjusted individually. It can be mounted either on the left or on the right side of the handlebar.The rear-view mirror has a nylon frame with fibreglass content. It can be mounted on bicycle handlebars with an internal clamp with a diameter of 16 mm. Installation is no longer difficult and the mirror is ready for use quickly.The "E-View XS lanky" is equipped with a glare lens, which ensures up to 50 % less reflection.The mirror has a 95 mm long rod.Classically held in black and with a soft blue tint, it also impresses visually. All in all, the "E-View XS lanky" by CONTEC is a useful safety element on the e-bike or bicycle, which provides a good all around overview.
