

CONTEC LED Light "Sparkler W"

black

RRP: 16,95 €

High-tech safety light increases visibilityThe CONTEC safety light "Sparkler W" comes into play in particular darkness: the included white SMD LED with 17 lumens ensures that you are seen in all lighting conditions and also increases your own visibility. The light runs constantly for up to 30 hours, and can flash for up to 90 hours. Even on longer outdoor trips, you can rely on this LED lighting. The light is allowed outside the range of the StVZO. The ultra-light and compact design of the light "Sparkler W" is something special: two lithium batteries are located in an anodized black aluminum housing. This proves to be robust, durable and rain-resistant. The aluminum body is also impact resistant and particularly stable. The product is supplied with a rubber mounting ring for toolfree installation. Off-road and away from paved roads, the high-tech LED lighting performs well at any time of the year and day.

Datos maestros

Número de artículo del proveedor:	CG-212W BK
EAN	4250311375731
UVP	16,95 €
SB-Artículo	Sí
DST-Code	2E02
Fedas-Code	160675
Número de registro RAEE	DE92509320
Bidex-Code	207030
Marca/Proveedor	CONTEC
Unidad de medida:	PIECE
Weight	0.059 kg

Datos técnicos

Alimentación eléctrica	battery powered
Artículo	Article
Autonomía máx.	30 h
Características	incl. batteries
Color principal	Negro
Fijación	universal
Luminosidad	17 lumen
Lámpara	LED
Versión	front light
