

CONTEC LED Light "Sparkler R"

black

Price: 7,99 €

Optimal light on every trackThe CONTEC safety light "Sparkler R" enhances the outdoor experience in the dark. The high-quality and functional red SMD LED provides 7 lumens for adequate lighting at all times in all weather and lighting conditions. The light is rain resistant and impact resistant, so it can withstand all stresses and circumstances. Thanks to its ultra-light and compact design, the black anodized aluminum housing does not weigh much.2 lithium batteries are included: thus, the lighting is immediately ready for use. A rubber mounting ring for practical toolfree mounting is also already present. The safety light from CONTEC can shine up to 60 hours constantly and flash up to 120 hours. Even on long tours is so always the right lighting ready.Outside of road traffic, the safety light is a companion for good visibility.

Fedas-Code	160676
DST-Code	2E03
SB-Artículo	Sí
Número de registro RAEE	DE92509320
Bidex-Code	207040
Marca/Proveedor	CONTEC
Unidad de medida:	PIECE
Weight	0.059 kg

Datos técnicos

Alimentación eléctrica	battery powered
Artículo	Article
Autonomía máx.	60 h
Características	incl. batteries
Color principal	Negro
Fijación	universal
Lámpara	LED

Versión

rear light
