

SHIMANO Chain "HG40"

single package, 116 links, with Quicklink

RRP: 18,95 €

8-, 7- and 6-speed Hyperglide Chain from SHIMANO SHIMANO manufactures its HG40 Hyperglide Chain especially for sporty use. It looks great on your road bike or MTB. The HG40 is suitable for 8-speed, 7-speed and 6-speed drives. Hyperglide stands for SHIMANO chains that shift particularly smoothly - even under high loads. As the chain with its 116 links is made of steel, it is particularly hard-wearing. In order to be able to close the chain properly, a Connecting Link is included in the scope of delivery, which connects the two loose ends.
