

Busch + Müller Rear Light "Secula Plus"

fender attachment, bulk

Price: 9,99 €

Compact and super visible The LineTec prism system with its elegant clear glass look is placed as a ring around the reflectors. Red light circles light up brightly. The active signaling area is extremely large, although the shape of the rear lights themselves is extremely dainty. Weight: 40 g. Dimensions: 39 x 41 x 59 mm. Like all Busch & Müller rear lights: StVZO-approved. This rear light also has French approval.
