

CONTEC Connecting Link "Connector +"

CO.S12+, for 12-speed E-bike chains, 1/2" x 11/128", with eco friendly anti-rust coating, titanium-grey

Price: 3,99 €

Chain replacement made easyThe chain is one of the most stressed parts on the bicycle and should be checked regularly. With the CONTEC "Connector +" master link, a new 10 or 11-speed chain can be installed in no time at all without additional tools.The two halves of the master link are simply inserted into each other and snap into place with a strong pull. The chain can then be opened again just as easily and without tools. The master link "Connector +" is self-service packed and comes with 2 sets.
