

THULE Children Trailer "Coaster XT"

black

RRP: 399,95 €

Children's bike trailer and buggyThe Thule "Coaster XT" is a robust bicycle trailer for the safe and comfortable transportation of two children. Or a practical buggy, which the "Coaster XT" can be converted into in just a few handles / grips. The Buggy Set fits on board for storage and, like the bicycle drawbar, is included in the scope of delivery. As a bike trailer, the "Coaster XT" can be securely attached to the bike using the patented "ezHitch" clutches. And during the ride, two children sit comfortably and securely strapped into the five-point harness in the padded seat. Parents can easily open and close the belt buckle with one hand. There is additional storage space behind the backrest for everything you need on the go. The maximum load capacity is 45 kg. When pushed as a buggy, the "Coaster XT" scores points with the height-adjustable "HeightRight" push bar. For storage at home or in the car, the child bike trailer can be compressed to the dimensions 94 x 77 x 28 cm. The seat height is 60 cm, the door width is 80 cm. Weight: 12 kg.
