size M / 8

Price: 12,50 €

For warm hands on cold daysThe "Bleak Touch Safe R" from CONTEC are true all-round gloves for cold winter days on the bike. With their ergonomically shaped palm padding, they protect the joints from shocks from rough ground or cobblestones. At the wrist they sit extra high to also keep the transition from glove to jacket optimally warm. A plus: thumb and index finger are covered with a conductive coating, so you do not have to take off the gloves to navigate or operate the smartphone. Washable up to 30°C.
