

bollé Helmet "Avio Mips "

titanium acid matte, size S (52-55cm)

RRP: 274,95 €

The "Avio MIPS" is the perfect choice for discerning cyclists looking for a Bollé helmet that meets the highest safety standards, is lightweight, and offers optimal comfort.The innovative MIPS Air technology sets a new standard in safety. In the event of an oblique impact, the helmet shell moves relative to the head, protecting the brain from rotational forces and preventing certain injuries.The helmet's Strike-Cage construction ensures maximum ventilation thanks to generous openings at the front that allow for optimal air circulation. In addition, the helmet's Opti-Dock provides a secure Holder for glasses of all sizes. This way, you'll have your glasses right at your fingertips when it's time to get back to work after your coffee break.The in-mold shell construction ensures high durability combined with a lightweight design, while the Performance Click-to-Fit system offers optimal adjustment and a high level of comfort. Thanks to this system, the "Avio MIPS" can even be worn with a ponytail and is individually adjustable for every cyclist.
