Price: 9,50 €

All-round tire for city & forestThe "Ruban" from CONTINENTAL is an SUV all-rounder that is equally reliable on forest paths and asphalt. The three-ply clincher tire is suitable for bikes and e-bikes up to 25 km/h. With its PureGrip compound, it is particularly energy-saving on e-bike tours and shines with excellent grip and long-travel properties. The "Ruban" is highly resistant to punctures and cuts thanks to the reinforced, honeycomb sidewall - the so-called ShieldWall technology. This makes the tire a true all-rounder that will reliably get you to work every day and won't let you down on tours.
