

CONTEC Summer Glove "Pepper"

size XXL/11

RRP: 29,95 €

Gloves in summer? That sounds like a strange combination at first. But anyone who has ever gone on a longer bike ride, especially on a mountain, gravel or road bike, knows how quickly the firm handles / grips can hurt after a long time on the skin. Our Pepper long-fingered glove offers you 4 mm ergonomic palm padding and a durable and breathable Lycra fabric with extra-thin mesh inserts. The reflective elements on the backhand make you more visible if your bike ride extends into the evening hours. The palm of the lightweight Summer Glove features additional silicone prints for a particularly good grip, even in wet conditions. The thumb of the Pepper Summer Glove is made of terry cloth and is ideal for wiping away sweat quickly.
