

CONTEC Helmet "Havoc"

intense red, size L (59-63 cm)

RRP: 79,95 €

Are you enthusiastic about mountains? Have you always found MTB trails exciting? Then give yourself a push and swingarms onto your new MTBs! The Havoc is the entry-level MTB Helmet and offers you everything you expect from safe head protection without breaking your budget. It also has all the good features of a first-class trekking helmet.The Havoc is made from a combination of a lightweight in-mold micro-shell plastic construction with a thin EPS inner shell. The straps are made from recycled PET water bottles. Thanks to the XY sizer (adjustment wheel) on the back of the Helmet, the Havoc can be individually adjusted in height and width. The comfortable padding is washable and replaceable. The Visor made from recycled marine plastic and the ventilation slits make the Havoc the ultimate companion in the great outdoors.Havoc is available in two sizes and four color options. Each model has been painted with environmentally friendly, water-based paints.
