

CONTEC Bottom bracket remover "TFP-460"

black

RRP: 15,95 €

The TFP-460 Bottom Bracket Remover from CONTEC is the tool of choice for all bike mechanics and hobby mechanics who need a professional solution for mounting and removing SRAM DUB bottom brackets. Specially developed to work with the bearing cup splines of SRAM DUB Bottom Brackets, the tool guarantees precise and damage-free handling. It is also optimally matched to CONTEC BOXfit Pressfit Bottom Brackets for SRAM DUB, making it an indispensable tool for the efficient maintenance of your bike.The high-quality steel construction promises durability and reliability with every use. The TFP-460 is not only characterized by its robust construction, but also by its ergonomically shaped grip. This grip is made from a combination of TPR and PP, two components known for their slip resistance and pleasant feel.
