

KLICKfix Display Bracket "Display Mount"

for Bosch Intuvia

RRP: 15,95 €

The KLICKFIX "Display Bracket Intuvia" – the perfect solution for your Bosch Intuvia display. The KLICKFIX mounting bridge is combined with the Handlebar Adapter and positions the display centrally above the Adapter. This leaves enough space to attach a Bag or Basket. The bracket is available in three heights and can be mounted on either the right or left side, creating space for steep Display angles, cables, or the Stem when needed.
